Yes, I agree to enroll in Printing Industries Credit Union (PICU) Debit Card Round Up Product, which will round up my debit card purchases linked to the checking account listed above. I authorize PICU to set up my debit card round up to transfer from my checking account linked to my debit card and link it to my new debit card round up savings account. I am aware that my request will be active until I notify PICU to opt-out of the debit card round up product. PICU will transfer the round up amount from the checking account listed above to my debit card round up savings account at the end of each business day.

If the debit card purchase is canceled or reversed after the round up transfer has been made, the transfer will remain in the debit card round up savings account.
